## VICE-PRESIDENT'S MESSAGE

Dear UMW Sisters,

The message for the 2018 Yearbook is being written by your vice-president. Our president-elect, Shirley Carpenter has had to resign due to health issues. Our prayers are with Shirley and her family as they deal with her health issues. May the Lord give them strength in their journey.

Our program theme for 2017-2018 is “Sacred Spaces: Encounters with God and Neighbor.” When I think of sacred places, in addition to the places mentioned in the Bible of God speaking to Moses through, the burning bush or Jesus’s baptism by John the Baptist; I think about the majesty of the Grand Canyon, the smudging and passing the pipe at the Why Water Matters Summit, and the encounters with God and neighbors that I’ve had at Mission U, Pine Lake and at Sager Brown. I am looking forward to the sacred spaces that will be at Assembly 2018 in Columbus, Ohio. The Power of Bold is a time for fellowship and an opportunity for faithful women to be stronger discipleship leaders for their communities.

Where are your Sacred Places? Where do you have Encounters with God and Neighbors? How are we called forth to protect and serve God’s creation? What do we need to do to work for justice? How are we able to “walk the talk” to design spiritual growth to put faith into action? As we go forward in this new year, I pray that we can find sacred places where we connect, talk, speak, and listen to God and then put our interaction with God into action.

As our theme for Assembly 2018 states: “When Women Unite, Bold and Courageous Actions Happen.” May we meet the challenges of 2018 as United Methodist Women putting faith, hope, and love in action.

Ruby Dow, Vice President  
Wisconsin Conference United Methodist Women

## A LEGACY OF MISSION

In 1869, eight (8) women gathered at Tremont Methodist Episcopal Church in Boston and organized the Woman's Foreign Missionary Society. They raised money to send two (2) missionaries to India, a woman doctor and woman teacher. United Methodist Women is the successor to that and other woman's missionary societies. One hundred and fifty years later, United Methodist Women is the largest faith-based women's mission in the world, changing lives for women, children, youth and families down the street and around the globe. United Methodist Women is a unique movement for transformation in our church and our world.

We have inherited a legacy of bold, courageous action. What will **our** further legacy be? At Assembly 2018 United Methodist Women will officially celebrate our 150<sup>th</sup> Anniversary. You will hear and read bold stories of courageous women who came before us. You will also find spaces and tools for you to envision the future and plan your own personal legacy to support future women in mission.

The Legacy Fund is an important part of this celebration. The Legacy Fund will **permanently** sustain the work of United Methodist Women. That means that your gifts to this endowment now will support women in Mission in the future. Your gifts will stand alongside United Methodist Women for decades to come. Your gifts will enable our great organization to continue to change lives for women, children, youth, and families down the street and around the globe for the next 150 years.
