# CATCH the VISION

March, 2024

Wisconsin Conference

## President's Message

Sometimes, as I think about writing the President's message for *Catch The Vision*, I just draw a blank. At those times, I think God sends Marilyn Eyster to talk to me and remind me how amazing we women of United Women in Faith are. The first topic in our discussion was shouldn't we be sending the *Catch The Vision* to district members who are not connected to a unit and wouldn't have access to it? Great idea! One of the important points about United Women in Faith is that we are a sisterhood. Our connections are important.

**Gloria Carter**

Second idea: How about an article on a project that was brought to our attention at an earlier conference team meeting — a way to recycle socks (see page 6). Taking care of God's world is important to United Women in Faith. That also reminded me that the women of the West Bend Fifth Avenue Church have a project to turn t-shirts into shopping bags. Share what you are doing with other United Women in Faith.

Third idea: Let's highlight Kady Herr-Yang who has been an important part of the conference team (and beyond). She has been serving as a deaconess and was recognized at the UMC Annual Conference last year. It would be interesting to hear about her work and the Deaconess/Home Missioner Program. Heidi Careaga, who is on the National Board of United Women in Faith, and Marie Severing, a deaconess candidate from Cargill UMC, have completed the Deaconess Program and are scheduled to be consecrated as deaconesses in April of this year during the General Conference in Charlotte, North Carolina. Many of you remember Judy Vasby who is a retired deaconess. It was through Judy that I first heard of the Deaconess/Home Missioners Program. Invite these women to your meetings and gatherings to learn more about this important program of United Women in Faith.

Amazing women of United Women in Faith, share your stories with us. How are you living out our calling to Inform, Influence, and Impact our own communities, and beyond? Share your stories!

God's Peace,

*Gloria Carter*, United Women in Faith Wisconsin Conference President

## A Time of Celebration by Sally Vonner

March is Women's History Month, an opportunity to celebrate the contributions of women. United Women in Faith is blessed to celebrate the legacy of bold, faithful, spiritual women who have given their lives past and present to uplifting women, children, and youth locally and globally...Join me in celebrating not only our NMI's (National Mission Institutes) but our deaconesses this month. If you have deaconesses active or retired in your annual conference, choose at least two to send a note of appreciation.

## Spiritual Growth

Isaiah 45:9 - *Woe to him who quarrels with his Maker, to him who is but a potsherd among the potsherds on the ground. Does the clay say to the potter, "What are you making?" Does your work say, "He has no hands?"*

Isaiah 64:8 - *Yet, O LORD, you are our Father. We are the clay, you are the potter; we are all the work of your hand.*

Romans 9:21 - *Does not the potter have the right to make out of the same lump of clay some pottery for noble purposes and some for common use?*

Linda Capraiello

As I was growing up in this season of Lent, I remember being told, that I must take time every day to look in the mirror and ask myself: *"Who is that person I see?"* In other words, I was to take stock of myself...not my physical appearance, but my inner-being. What did that look like? Was I feeling okay about how I was responding to others? How satisfied was I in my daily interactions? For this reason, every year, the Lenten season has become an important time of self-discovery for me! In fact, very often, I have sensed God nudging me, as well as His Spirit speaking to my heart when I am in front of the mirror – even just brushing my teeth! 😊 Embracing this time of self-reflection every year has helped me prepare my heart to be ready for Easter. As intense as the molding, spinning, reshaping, and heating that it takes to turn a lump of clay into a beautiful, shining teacup... so it takes for me - for us, to surrender and transform more closely, to the Lord God's plan – one that He has had all along, to mold and shape us into the women He has intended for us to be!

For me...this surrendering has taken a long time to fully understand, especially since it has usually involved something that had broken, or that had caused me pain -" OUCH!" That is the meaning of these verses that I share: In Isaiah, describing the "potsherds on the ground." I read how "God calls his complaining people 'potsherds,' broken pieces of clay, which are the least valuable and abandoned..." Yet, our creator picks up and uses once again! How often have I looked to see a broken "*complainer*" in the mirror? Who are we then, to quarrel with God? When reading these verses again, I remember my younger self saying, "Yes! I need you to BE my Potter!" How I needed God's refining and reshaping when I messed up, or when my circumstances caused me to be that *someone*, whose reflection I did not like seeing in the mirror!

From the Old to the New Testament, we can see how our Sovereign God continues to shape and reshape us... wanting only to fulfill the plan that He has prepared for you and me – *specifically* for *each* of us! From a seemingly useless lump of clay, can we see that God is indeed in charge! Our living God can fashion something beautiful and useful – only when we allow ourselves to surrender & trust in the process!

# Recycle Socks and Raise Funds for Northcott Neighborhood House

Recycling clean, used socks seemed like an easy thing for our Milton United Women in Faith unit to do, and most people have a lot of them. We read about it in *The Green Team Times*, a newspaper on living sustainably, sent out by Josie Gobel from First UMC in Madison. A company called Gildan, makers of GOLDTOE® socks, had begun this initiative with TerraCycle. Anyone can collect clean, used socks of any brand to send to TerraCycle to recycle.

Every shipment of socks sent in earns reward points based on weight. You earn 100 TerraCycle reward points per pound of socks. These reward points can then be donated to a non-profit of your choice. TerraCycle has a list of non-profits online from which to select. Although Northcott was not on their list of non-profits, we were able to fill out an application and have it added.

The company offers free shipping labels to mail them in through UPS, so there is minimal cost. We registered online at [TerraCycle.com](https://www.terracycle.com) to be able to request the shipping labels and began spreading the word in our congregation. Our first shipment of socks was sent in in September of last year. Since that time, we've averaged about one shipment a month. Our boxes weigh about ten pounds, so they earn about 1,000 reward points. Two thousand five hundred points (2,500) earns \$25.

We realized that what our individual unit might raise in a year would be a small amount for Northcott's needs. But then we thought of all the United Women in Faith units dotted all over the state that might be willing to join us in collecting. We knew that if we could all work at recycling socks and donating the reward points to Northcott, the total could be significant.

**How to get started.** Go to [TerraCycle.com](https://www.terracycle.com). On the top toolbar you will see the silhouette of a person. Click on that and then click on "sign up". Fill in the information requested. When you have a boxful of socks ready to send, sign in to [TerraCycle.com](https://www.terracycle.com). To print a label type "Goldtoe® Socks Free Recycling Program" in the search box or scroll down through the various recycling programs until you come to that one. Click on it and the "Get Shipping Label" button will appear. Click on that and the shipping label will be sent to your email so you can print it. Each shipping label may only be used once and must be used within two weeks following requesting it. The box you use for mailing should be approximately 18 x 18 x 18. Attach the label and mail it from your UPS store. You will receive a notice from TerraCycle when your shipment is received and the points earned. Reward points may be transferred to your non-profit when you have accumulated 2,500 points.

There are two payment periods per year, in January and in June. Any points redeemed by the end of October will be paid out in January, and any points redeemed by the end of April will be paid out in June.

If your unit does not want to be involved with the shipping part, just start collecting and bring your bags of clean used socks to one of our events or find a neighboring unit willing to mail the socks in for you.

There are two positive outcomes with doing this project. You are earning funds for Northcott Neighborhood House, and it will keep hundreds of pounds of old used socks out of our landfills!

**Join us at Mission u to explore the Good News of our Kin-dom and God’s Reign.  
 We gather at Winding Rivers UMC for an overview of Neomi Fletcher’s book *Welcome Home*.**

How can we incorporate Jesus’ preaching and teaching into our daily lives?  
 God, Christ, and the Holy Spirit are with us always -- are we sharing the Trinity’s love?

Ms. Fletcher uses the image of home to explore how living in close proximity to the kin-dom helps us make a home with God.

We are invited to develop practices for building healthy, welcoming communities as a result of being anchored in the abiding love of God.  
 God, Christ, and the Holy Spirit are with us every day. We are teachable.

## Update from Nominations

*Then I heard the voice of the LORD saying. "Whom shall I send? And who will go for us?" and I said, "Here I am. Send me!" - Isaiah 6:8*

We need several members for the nominations committee. We would like people from all districts to help ensure that the conference leadership represents all parts of the conference. There are currently openings for the 2025, 2026 and 2027 classes.

We also need a Program Coordinator to plan the Annual Gathering this Fall. If you are someone who enjoys program and event planning, this is the position for you.

**Linda Whitelock** Contact the nominations committee if you or someone you know would share your talents and become part of the team. Please prayerfully consider saying "Yes." You may be stepping out of your comfort zone, but the experience will be worth it.

## Conference Yearbook Update

We are working hard to get the Conference Yearbook into print. Our National Secretary, Susan Moberg, asked us during Conference Secretary Training Feb. 3 to include the lists of National leaders and Liaisons in the Yearbook. Amy Pigott at Bob's Copy Shop is working on that and making a pdf for a proof at the present time as she is recovering from a short-term illness. We expect the Yearbook to be out to

**Josie Gobel** Conference, District and Unit Officers by March 15,'24 and will update **Chris Anding** you if its sooner. We apologize for any inconvenience this may cause. If you have any questions, please contact myself at [christinemarie1950@gmail.com](mailto:christinemarie1950@gmail.com) or Josie Gobel at [josiegobel@charter.net](mailto:josiegobel@charter.net).

Archive alert: If any of you are wondering where Conference United Methodist Women/United Women in Faith past minutes or records are stored, they are stored at the Wisconsin UMC Office, 750 Windsor St., Sun Prairie, WI. I just took the last 8 years of records there after I saw the video of the tornado at Evansville going over my house and the rest of the city to drop down about one mile east of the city to flatten two farms, two houses and cause major damage to 7 houses. We were blessed there no injuries but I heard of some animals affected. We were advised at Secretary Training to keep up to the last 4 years of our archives in our homes to pass on to our successor but my thought was to keep them safe at Sun Prairie after two tornadoes visited Evansville recently.

Thank you and have a blessed day,

*Chris Anding*, Secretary

**Conference Executive team meeting/retreat August 16-18 (Friday evening, Saturday all day, Sunday leave by noon).** Please try to be there. We will be paying for 15 staying Friday through Saturday morning, even if we have less. Our Pine Lake gathering of the executive team is a great time to build our connections with each other, and also enjoy some time in God's beautiful natural world.
