## Are You Growing?

One of the hardest things for me to do is write an article for the newsletter. Some people find this so easy to do, but for me it is not that way at all. I have ideas that I want to get across to those to whom I am writing, but I can't seem to get the words in the right order - especially when I am asking for something.

The question I have for you is "are you growing?", "are you stretching your mind and your abilities?" You are probably asking yourself – "what does Mary want now?" Well, I do want something! Maybe I should say I "need" something.

Winnebago District needs people to step up and take an office on the district team. I wrote in the February newsletter how it took me a while before I took the leap of faith and said "yes." And I am so glad I did! It has been a wonderful experience for me all of these years, meeting so many nice people, making new friends, venturing to places that I had never been before. And my confidence grew as I went along. Not that I have been perfect in everything that I have done – I can never say that. But along the way there have been so many people who have helped me in one way or another.

It might seem impossible to you that you can take an office in Winnebago District. But, there are training sessions to help you in your job. And there are always people you can call or email if you have a question or a problem. Can you take a leap of faith and say yes?

The district is looking for a president, secretary, vice-president, people for the nominations committee and a historian. Please look at these offices, think about them, pray about them, and then give me a call (920-766-5077) or email me at [mftrettin@baycomwi.com](mailto:mftrettin@baycomwi.com) and let me know that you will be a part of the district team for 2015.

Mary Trettin, District President

Did you know **a quarter of a million women around the world die each year** during pregnancy and childbirth because they lack access to a proper health facility or to health workers? Did you know many of them have no say in their own reproductive health? Last April at Assembly UMW and UMCOR announced that they are joining together to raise awareness of the issue. They will be using their partnership to strengthen the maternal health programs that have a track record of success.

TREASURER

It's that time of year again when we start washing windows and curtains, plowing and planting, sprucing up flower beds and then relaxing in the nice fresh sunshine.

It's also a good time to start planning for U.M.W. Does your local unit have activities that will attract younger women? Are you prepared to take on any added responsibilities? How about attending Mission u, District and/or Conference Annual Gatherings? Can you budget your time to attend the Nicolet-Winnebago Districts Retreat next spring? These are all very good events. Much can be learned by attending any (or all) of them. Another wonderful benefit of attending these functions is meeting new people and making new like-minded friends. Members of United Methodist Women are great!

Do any of you have questions about the treasurer's duties? Are you confused about which forms to send in and when? If so, give me a call. I'm here to help. Or if you would rather I make a visit to you and/or your unit, I'm sure I could arrange that, also. I'm sure most of you know that Special Mission Recognition pins are now \$40.00 each; and when ordering, you must fill out a Special Mission Recognition Form accompanied by a Remittance Form. Remember, I send my report in to Conference on the 17<sup>th</sup> of each month; so if you need to receive credit for your remittance in a particular month (or if your SMR pin order needs to go out in that month), I need to receive your remittance by the 15<sup>th</sup> or 16<sup>th</sup> of the month.

I hope you have a wonderful summer filled with fun times, memory-making times, planning times and time to relax in God's great outdoors. Blessings to all.

Bev Kimble, Treasurer

COMMUNICATIONS COORDINATOR

I had the great pleasure of attending Assembly 2014 in Louisville, KY this past April. It was my first time, and it was a fantastic experience! I was most impressed by the 95 National Mission Institutions that United Methodist Women support throughout the United States. I heard some of their executive Directors tell about their mission, how it started, and how it operates today. United Methodist Women have such a wonderful impact in the lives of others! I also met a missionary from Thailand and learned about the mission there and their work to impact the lives of those caught up in Human Trafficking and Sexual Abuse. I met other UMW members from other states, and even other countries. The worship services were vibrant and exciting. The music team and worship team were great, and guests that offered their own interpretations during the service made it truly unique.

As United Methodist Women we have the unique opportunity to impact the lives of others going through difficult times. My \$10 donation by itself is just a pittance. But, together with the \$10 donations from the other 800,000 members – that is a ton of money!! Imagine how many people we could help with that!

I have digressed from my usual "Communications" news. But I wanted to share some of my thoughts on Assembly. Thanks for listening. Now, Winnebago District, go out and "MAKE IT HAPPEN!"

## SPIRITUAL GROWTH

As I sit here I wonder how to put in words the meaning of God's Love for us. All I need to do is look around me. I see my family, husband, children and grandchildren. I listen to the voices of my past and remember the love that has been shown to me. I think of many ways that I can reach out to the person beside me, on the other end of the phone, in my Sunday School class, at church and people that I meet in the stores. I appreciate the smile from a stranger and pass it on to the next person I see. I praise God for everything! in my life. I can only hope to pass on and hold on to the glories of His grace and love and to give it to all I pass on my life journey. Please walk along with me and let me know what you find. If you need to be put on a prayer list please call me at (920) 303-0316.

## MEMBERSHIP, NURTURE, OUTREACH

Have you had a chance to read UMW's General Secretary Harriet Jane Olson's column, *Responsively Yours*, on page 5 of the May 2014 issue of Response? She outlines how our organization is different from other groups. She describes why UMW has existed for 145 years while other women's groups have disappeared. As you are talking with your own members and contacting others to become actively associated with your group (groups), her column is a great resource.

Shirley Carpenter is Conference Coordinator for Membership Nurture Outreach. Her column on page 5 in the November 2013, *Catch the Vision*, provides information about membership guidelines and mission activities. Each church office is sent a copy of the Winnebago District Newsletter (WINN-D) and the Conference newsletter, (CATCH THE VISION) (Some are sent via E-mail). These are both to be shared with your organization. Please ask to see them as this is the way your District Team communicates with you.

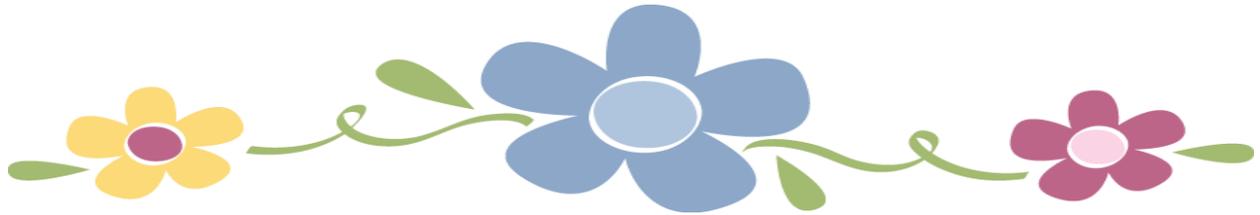

Please remember to maintain a monthly listing of active members as well as those who have just joined your group, moved, become inactive or are deceased during 2014. That way you can prepare an updated report on your membership for the year 2014 when you are contacted in January 2015 for those figures. Please remember that whatever number of members you reported for December 31, 2014 will become the number of active members listed in the January 1, 2015 line for that year's report. The reports are for the preceding year. Confused? Come to the October 4<sup>th</sup> Winnebago District Gathering at First United Methodist Church in Oshkosh. Membership Nurture Outreach coordinators will have a time period to share ideas and ask questions.

In the next WINN-D there will be a form for you to list the names of any of your members who have passed away since our October 5, 2013 District Gathering. During our 2014 District Gathering a memorial service will be held as a remembrance of their commitment to your UMW organization.

If you need further information please contact me. God bless you in your leadership commitment.

#### SECRETARY OF PROGRAM RESOURCES

2 Kings 23:2

*The king went up to the house of the LORD and all the men of Judah and all the inhabitants of Jerusalem with him, and the priests and the prophets and all the people, both small and great; and he read in their hearing all the words of the book of the covenant which was found in the house of the LORD.*

Are we living in a time when reading a book is being replaced by “reading” the computer? Our children are spending more time on Facebook, Twitter, YouTube and surfing the internet. One would think that those activities take away from the time that was previously allotted to reading a book. According to an article by Clean Cut Media, just the opposite is true! With the popularity of the iPad, Kindle and eBooks, it is much easier to read a book. It is more portable, less bulky to take with you. It is easier to order them over the internet than to have to go to the local bookstore. Who would have thought!

I have attached the Reading Program Report form. Please remember to get these back to me by August 31 so that I have time to get your Reading Program Awards ready for our Annual Gathering in October.

Reading Blissfully,

MISSION COORDINATOR FOR SOCIAL ACTION  
SHARON KARDOSKEE

At our January team meeting we selected three current issues to address during the next three years:

1. How has UMW made a difference?
2. Where does our money go? What missions do we support?
3. We will explore how UMW helps the UM Children's Services in Milwaukee.

**United Methodist Children's Service Quick Facts**

United Methodist Children's Services was organized in 1962 and has been serving women, children, and families for 52 years.

Their fund has nearly budgeted \$1 million dollars (\$996,577) through a variety of sources. The Wisconsin Annual Conference of the United Methodist Church provides \$145,250. Individual United Methodist Churches and UMW provided \$101,000. Foundations and other grants provided \$193,000. Donations of food, clothing, and other supplies totaled \$250,000. Program fees and reimbursements covered \$ 211,000. Individual donors accounted for \$ 90,000.

**Programs**

Transitional Living Program- This program provides safe, affordable housing, on-site social services, and child care. This program is designed to enable low income, single parent families to become economically self-sufficient. The women receive education, goals for future employment, finance, and personal issues.

Family Resource Center- We distribute emergency food and clothing to low income individuals and families through our family resource center. UMCS is a member of the Hunger Task Force of Milwaukee Food Pantry Network and is the largest emergency food pantry site in Milwaukee County.

**UNITED METHODIST CHILDREN'S MISSION STATEMENT:**

*Based upon our fundamental belief in God's love, United Methodist Children's Services of Wisconsin, Inc. values the dignity, potential, and worth of each individual, and creates a nurturing environment and sense of community in which miracles happen.*

## Deaconesses Consecrated in Assembly Closing Worship

by Yvette Moore

*Bishop Cynthia Harvey commissions one of the deaconesses.*

Twenty-six women from 18 conferences were consecrated as United Methodist deaconesses during the closing plenary worship of the United Methodist Women’s “Make It Happen!” • Assembly in Louisville, Ky., April 27.

Deaconesses and Home Missioners are women and men called by God to lay vocations in a lifetime relationship in The United Methodist Church. Their work alleviates suffering, eradicates causes of injustice and all that robs life of dignity and worth, facilitates the development of full human potential, and shares in building global community through the church universal.

“This class of deaconesses reflects the strength and unity found in the diversity of those who are called to ministries of love, justice and service,” said Becky Louter, executive of United Methodist Women’s Office of Deaconess and Home Missioner program. Among the deaconesses being consecrated during Assembly will be Jolynn “Jody” • Bullard Halstead of Central United Methodist Church in Asheville, N.C., who knew early on that her work as a registered nurse at the city’s Haywood Street Respite was more than a day job.

“I have a need to be in uncomfortable places,” • she said, explaining that she learned about the deaconess service track while leading Bible study in a local jail. “I’ve known for a while I was to be in mission but didn’t know where.” •

When she started working with the Reconciling Haywood Street United Methodist mission church’s respite for homeless adults recently discharged from hospitals, her calling became clear. “All these things God put in my way seem to make it clear that I belong, I fit in at Haywood Respite,” • she said. “I’m a RN and faith a community nurse, and I’m in mission,” Ms. Halstead said.

*Printed from the UMW Website.*

.....

The past president of Wisconsin Conference, Judy Vasby, was among those consecrated. She is the Coordinator of Caring Ministries, Willerup United Methodist Church, Cambridge, Wis. Congratulations Judy and many blessings for your future as a Deaconess!

## Mission U

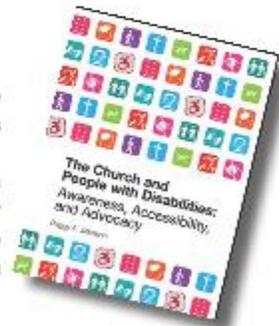

Celebrate All God's Children

Four-Day: Monday-Thursday, July 28th-31st  
Overview Day: Friday, August 1st

**Spiritual Growth Study: *How Is It With Your Soul?*** – This resource brings into balance the inner and outer dimensions of the Christian life. Organized around four verbs—pray, learn, mentor and transform—the book will challenge you to become a more vibrant disciple of Christ. (2014)

**Issue Study: *The Church and People With Disabilities*** – Unlike other categories of human experience, disability crosses all lines of gender, orientation, ethnicity, socioeconomic position, age, and culture. People with typical bodies can be thought of as temporarily able-bodied because disabilities can happen at any time to anyone. The intent of these mission studies is to promote awareness, inclusion, accessibility and advocacy for people with disabilities — including youth and children. (2014-2015)

**Geographic Study: *The Roma of Europe*** – This book will introduce you to the Roma, with an emphasis on Eastern Europe. You will discover their history up to and including the twentieth century. You can look into the ways they are treated in contemporary European culture. You will also be able to learn about their lifestyle and spirituality, and investigate ways the church and other organizations are working alongside the Roma. (2013-2014)
