**Annette Pederson**

As we begin another year, I am thankful but also very hopeful. These past few years have been challenging for us, our units and our churches.

I am hopeful that we are finally at a time when we can return to our past “normal.” A time when we can do more bake sales, bazaars and get togethers while holding on to some of the good changes we have made. With the increased activity, I am hopeful that our giving can improve. We made 74% of our 2022 conference pledge. This is a little better than last year but I think we can do better.

We are planning for our Spring Day of Enrichment in March. You’ll find information about this in this Weaver. I always enjoy seeing friends and meeting new people. Please plan on attending and stop me to say hi.

Finally, I can hardly list all the things I am thankful for. I am thankful for all the hard work each of you and your units have done this last year. I am thankful for all the wonderful people I have met. I am thankful for all the giving and supportive women of our United Women of Faith.

We all need to be hopeful for this new year. Continue to contact me if I can be of help. I needed to change my Email. My new Email is: [annettepederson53@gmail.com](mailto:annettepederson53@gmail.com)

God’s Blessings,

HAPPY NEW YEAR!!!!

I have a new devotional called “Jesus Listens” by Sarah Young; I’d like to share the January 1<sup>st</sup> page with you.

“My living God, as I begin a fresh year, I rejoice that You are continually working newness into my life. Because You are doing a new thing, I must not dwell on the past. I refuse to let last year’s disappointments and failures define me or dampen my expectations. This is the day for a fresh start! I know there are no limits to Your creativity, so I anticipate some lovely surprises on this year that stretches out before me.

Lord, I receive Today as a precious gift from You. I realize that the present moment is where You meet with me. This is the day that You have made. I know You have carefully prepared it for me—with tender attention to every detail. So, I have good reason to rejoice and be glad in this day!

As I journey along the path of Life, I’ll search for signs of Your loving Presence. I delight in finding the little blessings You sprinkle alongside my pathway—sometimes in surprising places. As I discover them, I’ll thank You for each one. This keeps me close to You and helps me find Joy in my journey.”

In Your Blessed Name, Jesus. Amen! Barbara Bender

I'm writing this article at 35,000 feet above the earth on my return flight from a Volunteer in Mission trip to Philippines. As a team of five we are flying two very long flights.

One of our destinations was Isabella Province north of Manilla. That was a van ride 7 hours north of Manilla into the mountains.

What I experienced on this trip?

- Philippine Christians practice RADICAL HOSPITALITY. We worshiped together, we were fed many delicious meals and received certificates, gifts and hugs.
- Serving us all the different delightful treats and meals, included many varieties of fish and sea food, many treats including coconut, fresh coconut milk by straw, two different kinds of rice and many rice treats, fresh fruits including mangoes and papaya and little sweet bananas. All kinds of salads, pork and chicken were served.
- The love of Christ was shining in the faces of the women (WSCS/ UMW) and children in the school we visited. During church the praise music was lively.
- I learned I can keep up even though I'm a bit older and slower. Except for the UMYF games that included kneeling.... I had to take a bench after 3 kneels. Ouch!
- God's already at work in the Philippines and we're so privileged to be a part of the local ministries
- We participated in the local village medical ministry including medical, dental, praying and giving Bibles for those that wanted one. Pharmacy as prescribed and blood pressure screening.
- We participated in K-6<sup>th</sup> grade school support with food for lunch, school supplies for each child and teacher supplies including reems of paper and chalk
- We visited and prayed with the family that we have helped since the last typhoon. Their new house had reinforced brick, and a strong roof. It still needs windows.
- Flexibility and patience are important in God's workers and missionaries. It's God's schedule not ours.
- Clean water is important for our health (John Wesley said that)
- We can be so thankful, Romans 12: 4-6, 9-10. Each Team member has unique gifts..... leading music, devotions, and Sunday School, preaching, planning, keeping track of dollars and pesos, loving people in a positive way, being a calming presence, attention to details, infectious praising God, and helping others.

In God's glory,

Billie La Bumbard, Spiritual Growth

I was in charge of the program for our local unit's January meeting and while looking through the UWF Program Book, I was taken with the four primary aspects of growth that are presented each month: **Spiritual, Soul-Care, Building the Beloved Community and Social Justice.**

Thinking about these as we embark into a new year in our journey of faith, I was challenged and excited about the possibilities to be found. What can we do to grow spiritually, to care for ourselves, to strengthen our community, and to make a difference in our world? *Each of our journeys this year will be part of God's story and will be unique to us.*

**“There are different kinds of gifts. But they are all given to believers by the same Spirit. There are different ways to serve. But they all come from the same Lord. There are different ways the Spirit works. But the same God is working in all these ways and in all people.” (1 Cor.12:4-6)**

Blessings to you as you find your way in 2023.

## Inspiration to READ from our Program Reading Coor.....Cherie Bingham

Greetings to all of my United Women in Faith sisters of the North West District!

I'm writing this on a beautiful, sunny winter day in January and I am still getting used to it being 2023. I don't know about you, but I'm still recovering from the Christmas & New Year's holidays, and here it is the middle of

January! I hope that each of you are doing well and looking forward to 2023.

I plan to take some time for reading during this "down" time of the year and, I hope that each of you are as well. There are some great new books on the United Women in Faith 2023 booklist, plus so many wonderful books to read from the previous lists. This year we can use books from the 2018-2023 lists, if not previously used. These lists, along with a lot of other information & resources, can be found at the [uwfaith.org](http://uwfaith.org) website. You can use the dropdown menu at the top of their page to select 'Resources' and that will bring up the Reading Program, Podcasts, Response Magazine, Program Resources, and Mission U Curricula. Each of these has many separate listings and a wealth of resources for you to use.

There were 26 participants in the Reading Program from our North West District for 2022 (see separate article). Our number of participants has been declining steadily (from 46 in 2019 to 26 in 2022). This is not shocking given the loss of total members and units across our district, state and country. However, it is disheartening! Please encourage your friends to become a part of United Women in Faith (they do not have to be a member of your church), and, then encourage them to grow in their faith by participating in the Reading Program and using the other Program Resources such as the Response magazine and Faith Talks podcasts.

I will plan to have copies of the new and previous booklists at our Spring Day of Enrichment to be held March 25 in New Richmond. I hope to see each of you there. If you have questions or need to contact me before then, I can be reached at 608-712-7820, or by email at: [cheriJeanb@hotmail.com](mailto:cheriJeanb@hotmail.com)

On the back of this you will find the Mission Tasks for 2022 listed with a check box to be checked if your unit has accomplished the specific tasks under the criteria Faith, Hope, Love, and In Action. *There will also be a check box inside of a larger box where you can describe actions your unit took that you believe fulfill the criteria of Faith, Hope, Love and Action.* Many of your units undertake tasks that fit your locale and your membership more effectively. In order to count these undertakings as suitable to count as one of two tasks accomplished by your unit for consideration as Mission Today Award, describe them clearly. They will need to carry out the mission (purpose) of that criteria.

- i.e.
- Faith:** must have the purpose *of strengthening faith in God and the personal relationship with Him while maturing and growing spiritually.*
  - Hope:** must have the purpose *of increasing knowledge through attendance at personal growth educational gatherings, implementing and/or studying social action issues, as well as encouraging those outside of UMW to increase understanding and knowledge of social issues.*
  - Love:** must have the purpose *of building relationships inside and outside of UMW.*
  - Action:** must have the purpose *of service and mission tasks.*

Please report on any new criteria tried this year:

Comments:

**MISSION TODAY REPORT FORM – Tasks for 2022**

Becoming a Mission Today UMW means that you have completed two (2) tasks from each criterion: Faith, Hope, Love, and Action. Think outside the box; there may be things you did this year that fit the criteria. The box following each criterion allows you to explain something that you feel fit the criteria you find on the other side of this form. The challenge each year is to try at least 1 new criterion during the year.

**FAITH – *United Methodist Women shall be a community of women whose PURPOSE is to know God.....***

- Plan programs that encourage spiritual growth. (occasionally used Program book or *response* magazine)
- Create prayer partners with other church groups. (Prayer chains, World Day of Prayer, etc.)
- Pray using the Prayer Calendar at meetings.
- Organize the spiritual growth study from Mission u, possibly several evenings/weeks.

**HOPE – *to experience freedom as whole persons through Jesus Christ;***

- Take advantage of opportunities through UMW. (Mission u, Spiritual Growth Retreats, Annual Gatherings, Mission Action Day)
- Set aside a time to go over the year’s plans using Mission Today Mission Tasks.
- Implement the Charter for Racial Justice.
- Present a mission study from Mission u, inviting church members.

**LOVE – *to develop a creative, supportive fellowship;***

- Honor the organization’s leaders and member’s contributions with Special Mission Recognition pins.
- Encourage everyone to visit or invite visitors to/from other local UMW organizations.
- Publicize your events using newsletters, bulletin boards, Sunday bulletins, social media, phone calls, etc.
- Plan a year-end program to give thanks and celebrate your accomplishments.
- Plan visits to former members or friends of UMW who are unable to attend due to illness or residing in rest homes, etc.

**ACTION – *and to expand concepts of mission through participation in the global ministries of the church.***

- Encourage all members to participate in the Pledge for Mission; give reports of where the money goes.
- Involve all members in fundraising (think outside the box)
- Contribute to scholarships related to UMW programs such as Mission u and seminar experiences.
- Partner with a mission institution such as Harbor House, Northcott, or UM Children’s Services of Wisconsin.

# Wisconsin United Women in Faith

Join us at Mission u as we explore the good news and what it means for our lives!

Jesus' teachings in the Gospels proclaim the good news of the kin-dom or reign (*basileia*) of God. In fact, Jesus mentions the kin-dom 90 times in the Synoptic Gospels! What does the Bible tell us about God's *basileia* and why do we call it the kin-dom? For Jesus, the kin-dom was not simply something to talk about but something we could live and experience. From the Lord's Prayer, to the beatitudes, to the parables, this good news is at the heart of Jesus' preaching, teaching and ministry.

Come! Let's explore together the heart of Jesus' good news and what fresh vision it offers us as we seek to be in mission today.

**Our 2023 Mission u will offer the following curriculum available from our [e-store](#) by January 2023:**

## A Message from our Social Action Coor.....Laura Ida

New Year's Blessings to all of you! I hope that you will join me in uniting our voices, prayers and faith in Social Action during 2023!

I had a home adventure that began on Christmas Eve. My furnace malfunctioned during our cold, windy weather while I was out of town for a few days, leaving my home at 40 degrees. After the furnace was temporarily fixed and the house slowly warmed, pipes began dripping through the kitchen ceiling! Following a few weeks of many plumber visits, and a new furnace, I hope to return to a "normal" pace at home. (painting still awaits) I hope that the close of 2022 and the beginning of 2023 was less eventful for you and that you were able to celebrate in ways that were meaningful! I realize that weather affected many plans this past holiday season.

Our cold and snowy winter, along with my recent experience with loss of heat, reminds me of our quadrennial emphasis of United Women in Faith – Just Energy for all! If you have not had a chance to investigate the Just Energy Campaign, I encourage you to do so!

Our United Women in Faith website has great information in the area of Social Action! As the Angels in the Christmas story proclaimed, "Fear Not," I encourage you to "Fear Not," and explore the website. Or get together with other Women in Faith and explore the website together. Just Energy webinars are recorded and available to watch. Also, you can find well-written help to partner in justice to contact elected leaders. The website offers you an opportunity to use your voice to ask congress to prioritize climate justice. A suggested message is available and will be emailed for you if you so choose! If you would like to call the office of an elected official, talking points are provided.

As you maneuver the website, just a click on a bold or underlined sentence will bring up more information. You can read through it and decide whether to take action, or if it is an area you need to learn more about. I was impressed with the ease of being able to use my written voice to support others!

Meanwhile, a new year is always a good time to examine our own habits that affect our beautiful world! Are we cutting down on our use of plastic? Remembering to take cloth bags to the grocery store, and finding products that use less or no plastic? Do we read articles in the Response magazine that address Climate Care or perhaps a book on our reading list that can bring us up to date?

Sisters in Faith, I encourage you to "Fear Not," and go forward with action in 2023! Please consider attending Mission Action Day (information included in this issue!)

**"The Earth is the Lord's, and everything in it, and all who live in it." Psalm 24:1**

Yours in Social Action,
