MARTHA BOYER'S MESSAGE

Dear UMW Sisters,

“I know the plans I have for you,” declared the LORD, “plans to prosper you and not to harm you, plans to give you hope and a future.”
Jeremiah 29:11

How many times have you read and how many times have you heard this passage from Jeremiah and how many times, have you said (like I have said) “I know you know Lord, but not now, I already have so many things to do.” And by not following God’s nudging, have we missed an opportunity to respond to the call and have missed hearing the Lord say, “Ask, and it will be given you; search, and you will find; knock, and the door will be opened for you”. Matthew 7:7.

I have to admit there have been times since I accepted the call to be Conference President, I have questioned “my moment of elation” about joining the list of past Conference Presidents I have grown to love and admire since 1985, but, most of all, I regret the times I have forgotten Jesus’ promise to “Ask, and it will be given you...”.

2018 has been an amazing year! I am surrounded by a talented, supportive Conference Team, I have met an equally talented District Teams, rekindled old friendships and have made many new friends in the community of faith. The journey has been a true blessing and my faith has been strengthened.

As we celebrate 150th anniversary year of women united in a Sisterhood of Grace, I encourage you to not miss an opportunity to answer God’s plans for you! HE KNOWS, and when you doubt the call, ASK and the answer will be given to you. Take a leap of faith; fill the vacant position in your Unit, your District or your Conference. 2019 is waiting.

A LEGACY OF MISSION

In 1869, eight (8) women gathered at Tremont Methodist Episcopal Church in Boston and organized the Woman's Foreign Missionary Society. They raised money to send two (2) missionaries to India, a woman doctor and woman teacher. United Methodist Women is the successor to that and other woman's missionary societies. One hundred and fifty years later, United Methodist Women is the largest faith-based women's mission in the world, changing lives for women, children, youth and families down the street and around the globe. United Methodist Women is a unique movement for transformation in our church and our world.

We have inherited a legacy of bold, courageous action. What will **our** legacy be? At assembly 2018 United Methodist Women will officially celebrate our 150th Anniversary. You will hear and read bold stories of courageous women who came before us. You will also find spaces and tools for you to vision the future and plan your own personal legacy to support future women in mission.

The Legacy Fund is an important part of this celebration. The Legacy Fund will **permanently** sustain the work of United Methodist Women. That means that your gifts to this endowment now will support women in Mission in the future. Your gifts will stand alongside United Methodist Women for decades to come. Your gifts will enable our great organization to continue to change lives for women, children, youth and families down the street and around the globe for the next 150 years.
